

REMARKS

Reconsideration of the above identified patent application is hereby respectfully requested in view of the foregoing amendments and following remarks. Claims 1-18 and 21-22 have been canceled and claim 19 has been amended. Claims 19 and 20 remain in the case.

The applicant appreciates the thoroughness of the review by Examiner Carol Koslow and the especially helpful suggestions, as provided.

Page 2 of the Office Action requests the inclusion of the compositions for Briwax Original and Finish 2001. this has been accomplished in the enclosed replacement specification where these products are first introduced.

Page 2 of the Office Action also requests replacement of the term wax in all instances unless either a carnauba wax or a bees wax is referred to. The replacement specification is believed to accomplish this by diligently replacing all incorrect occurrences of "wax" with "polish". If any required substitutions were missed, it is inadvertent

and the Examiner's assistance is respectfully requested should any further replacements be required.

Minor other corrections were made where required to preserve sentence syntax or to correct other minor grammatical errors, as found. As the Examiner did not object to the title and because the remaining claims clearly recite a wax (either carnauba or bees) as part of the emulsion, the title is believed to be proper and is therefore, unchanged.

Regarding all other rejections, the Examiner has indicated that claims 19 and 20 would be allowable if rewritten or amended to overcome the objection set forth in the office action. Claim 19 has been amended to replace the term "wax" with "polish", where required. All other claims have been canceled.

Thank you Examiner Koslow for your helpful suggestions and the indication of allowable subject matter.

Accordingly, the rejection is believed to be overcome and reconsideration is requested.

As all remaining claims 19 and 20 appear to be in condition of allowance, reconsideration thereof is

respectfully requested, and a notice of allowance is
courteously urged at the earliest time.

The applicant appreciates the opportunity to
communicate by telephone with the Examiner if necessary.
Please continue to direct all correspondence to the
correspondence address and telephone as shown below.
